

Printable Tetris

How to setup:

- Print game board (optional: Laminate for additional sturdiness)
- Print and cut game pieces.

How to Play:

Basic rules:

- Place all pieces in a pile or bag and shuffle.
- Draw the top piece and place it on the board.
- Try and fill all the spaces.
- Pieces can be rotated any direction, but they can not be flipped on their back.

Scoring Version one:

- Count up all the white spaces left when you cannot fit any more pieces on the board.

Scoring Version Two:

- Shift pieces downwards manually as bottom rows are filled.
- Count how many rows you're able to delete off the bottom.
